ATTACHMENT A

Interim Status Document

Electric Construction and Maintenance
5488 Overland
San Diego County
San Diego, CA 92123

GENERAL CONDITIONS

1. Identification and general responsibilities of operator.

San Diego Gas and Electric Co., hereinafter called the operator and/or owner, shall comply with the provisions of the California Health and Safety Code, including Chapter 6.5 of Division 20, and with the Minimum Standards for Management of Hazardous and Extremely Hazardous Wastes (Chapter 30, Division 4, Title 22 of the California Administrative Code). The following requirements set forth in Chapter 30, Division 4, Title 22, California Administrative Code, should be particularly noted:

- (a) The owner or operator shall ensure that the operation of the facility will not imperil public health and safety, wildlife, domestic livestock, or the environment.
- (b) The owner or operator shall allow the California State Department of Health Services or the local health agency to inspect the facility, take samples of wastes, and inspect pertinent records.
- (c) The owner or operator shall maintain the qualified personnel and the equipment necessary to provide for the safe operation of the facility.
- (d) The owner or operator shall notify the California State Department of Health Services of a proposed change in ownership of the facility, in the method of operation of the facility, or of proposed closure of the facility 30 days prior to such event.
- (e) The operator shall report to the California State Department of Health Services, within 24 hours after occurrence, all accidents involving hazardous wastes which resulted in, or could have resulted in, a hazard to public health and safety, wildlife, domestic livestock, or to the environment.

2. Records.

The owner or operator shall file this Interim Status Document at the facility and at his place of business.

3. Operation plan.

After receiving specific written notice from the Department to do so, the owner or operator shall submit to the California State Department of Health Services an operation plan in accordance with Section 66376, Title 22, of the California Administrative Code. The instructions for preparing the plan and the due date for its submission will accompany the written notice.

4. Prohibited acts.

The owner or operator shall not do any of the following acts:

- (a) Treat, store, or dispose of hazardous wastes which are not identified.
- (b) Employ processes not described in the application.
- (c) Make substantial modifications or additions to the facility.

5. Limitation.

The owner or operator shall comply with the conditions of this document and with any new or modified conditions which the California State Department of Health Services deems necessary to protect public health or the environment. A new interim status condition or a modification of an existing interim status condition shall become effective on the date that written notice of such change is received by the owner or operator.

NOTE: Unless explicitly stated otherwise, all cross references to items in this Interim Status Document shall refer only to items occurring within the same Part. All Parts are identified by Roman numerals. The items set forth in each Part shall apply to the owner, operator, and/or facility in addition to the items set forth in any preceding and/or following Part of this document.
